### **Participation in Cryptics 7.0 Online Quiz Competition**

We are excited to announce that our school recently participated in the prestigious online quiz competition, "Cryptics 7.0," organized by Vyedhi School of Excellence, Bengaluru. The preliminary round took place today on 04.07.2024, and we had six of our talented students representing our school with great enthusiasm and determination.

They approached the competition with a positive attitude and displayed excellent teamwork and perseverance. The quiz was challenging and covered a wide range of topics, testing the students' knowledge and quick thinking.

We commend our students for their hard work and dedication, and we thank Vyedhi School of Excellence for organizing such an enriching event. We look forward to more opportunities where our students can shine and bring laurels to our school.

Regards
