## **Auction Notice**

J&K Sainik School Manasbal invites sealed bids affixed with a revenue stamp of Rs. 5/- from interested persons/bidders for auction of fallen and dry standing trees (Keekar, Ailanthus and Poplars) in the School campus. Interested persons/bidders can submit their bid rate for all types of dried/fallen trees separately. The successful bidder has to do pruning of all standing trees. After pruning, the logs are to be separated from the branches and the same will also be included in the bid. Bid documents can be downloaded from school website (www.jksainiks school.in) and the same are to be submitted along with CDR of Rs. 25,000/- (Rupees Twenty five Thousand only) pledged to Principal, J&K Sainik School, Manasbal. Starting bid cost for different types of trees is as follows.

S.No	Name	Rate per Quintal
1	Keekir	Rs.500/= per Quintal
2	Ailanthus	Rs.350/= per Quintal
3	Popular	Rs. 450/= per sqft

Last date for submission of complete bid documents is 15.01.2026 up to 1300 hours. The bids will be opened in the office of the undersigned at 1500 hours on the same day. Any bidder or his authorized representative can remain present at the time of opening of the bid.

### **Terms & Conditions:**

1. The interested parties on the publication of this notice can inspect the standing and other trees on 13.01.2026 from 11:00 AM to 3:00 PM.
2. The tenderer has to lift logs after cutting dried trees and pruning of all standing trees. The lifted logs will be weighed in presence of the authorized committee of the School.
3. The tenderer has to engage labourers at his own expenses for pruning of standing trees.
4. The tenderer also has to separate logs from the branches after pruning at his own expenses.
5. School committee will fix rate for pruned branches after separation of logs.
6. Pruning of trees is to be done by removing all unnecessary branches to get the pruned trees in proper shape.
7. The successful tenderer shall have to lift the material from the site during office hours against proper gate pass issued by the authorized officer. The weighing of logs will be done in the School campus/ outside

6. Pruning of trees is to be done by removing all unnecessary branches to get the pruned trees in proper shape.
7. The successful tenderer shall have to lift the material from the site during office hours against proper gate pass issued by the authorized officer. The weighing of logs will be done in the School campus/ outside School by the tenderer in presence of the committee constituted for the purpos-\*e.
